

## CHAPTER V

### CONCLUSION AND SUGGESTION

This chapter presents conclusions and suggestion that were based on the findings and discussion in the previous chapter. It also presented some suggestions for English teacher and future studies.

#### A. Conclusion

Based on the finding which have discussed in the previous chapter, it can be concluded that the use of Paired Storytelling technique is much better than conventional technique for teaching speaking at class IX of State Islamic Junior High School 4 Pesisir Selatan. The students' speaking skill in experimental class by using Paired Storytelling technique got mean scores (69.90) while control class got (53.95) It means there is significant effect of students speaking skill by using Paired Storytelling technique in narrative text at class IX of State Islamic Junior High School 4 Pesisir Selatan.

Moreover, from the findings of research above, it was concluded that teaching speaking by using Paired Storytelling technique was effective to improve students' speaking skill.

#### B. Suggestion

Related to the statements mentioned in conclusion above, the researcher proposed some following suggestions:

1. The English teacher should consider the implementation of Paired Storytelling technique as an alternative technique in teaching speaking.
