

ABSTRACT

This thesis is entitled: **"Review of Islamic Law on the Transportation of Imam Prayer Tarawih (Case Study in Kelurahan Korong Gadang, Kuranji District, Padang City)"**. This discussion is in the background by the custom of giving and receiving money for the prayer priest's transportation made by mosque and prayer imams in Kelurahan Korong Gadang. The formulation of the problem in this study are: How is the Review of Islamic Law on Money for Imam Prayer Imitation in Kelurahan Korong Gadang Kecamatan Kuranji Kota Padang? Based on the research formulation, then the research question is: Is the provision of transportation money for Tarawih prayer imam can be categorized as wages? How is the Islamic law review of the priest's prayer money? The type of research that the author uses is field research, the authors examine directly in the field for the desired phenomenon writers can be immediately visible and observed. To collect data needed in this research, the authors make observations and interviews to some research informants, namely the mosque and prayer imams. The analytical method that the writer uses is descriptive skin that is exposing the data without using the count, but only the business of reasoning, analysis, and responses to the facts that occur in the field. Meanwhile, to find out how the review of Islamic Law to the transportation money of imam prayer then the authors refer to the Qur'an and Hadith. After the authors analyze berdasarkan formulation and question of the pelitian, the authors concluded the money transportation priest Tarawih prayer is not categorized as wages. And Review of Islamic Law To the priest's transportation money, the legal prayer is permissible because it does not belong to the wage category.
