

ABSTRACT

Paper that gets title “**Stigma at Blank Space: Ethnical Tionghoa at Winks Pariaman's Person**” this was written by Ahmad Zaki. This paper works through about amends it stigma Pariaman's person negative to ethnical Tionghoa. Even relationship both long since was end, and ethnical Tionghoapun have berpuluh year leaves Pariaman's region. But of before up to now stigma smelly kecinaan that quite a can never be turned off at head person Pariaman. In focus this research will be seen of two flanks: *first*, mengkaji about whatever factors that makes stigma Pariaman's person to ethnical Tionghoa that arises. *Both of*, any kind form ethnical stigma Tionghoa that effloresce deep Pariaman's society. This research is specialized on Pariaman's society that lies around Tionghoa's ethnical area ‘*Cino's kampong*’ before at Pariaman, which is i. Cabin Kampong, Cabin kampong II. and Jawo's Kampong. Acquired data via interview, observation and of gathered document through book and photograph concerning. Informan elect is gone upon judgment up quality as source of information by use of tech *purposive is sampling*. This observational result shows that apparently stigma's emergence Pariaman's person to ethnical Tionghoa that because of *first*, mark sense Pariaman's Chinese conflict. *Both of*, the difference economy social, culture and Chinese ethnical religion Pariaman accords to trigger relationship both end with bloody scene (Kanso's tragedy 1944) where ethnical Chinese as victim of violence person Pariaman. *Third*, clinging it dislike or stigma is Pariaman's person negative to ethnical Chinese it is not just regarded by happening scene past which goes on they are heirsed word of mouth, but also been regarded by marks sense realita to present Chinese cases. So effloresce stigma form deep Pariaman's society to ethnical Tionghoa arises in three labeling forms: of it ethnical flank, tag those are given as: Selfish china, Bootlicking china, eksklusif's china, Miserly china, PKI'S communist china. Of its race flank, as: Slant china, Aceng's china Intern. Of its religion flank is: Smooth-faced china, Heathenish china.

Key word: *Stigma, Tionghoa Is ethnical, Pariaman.*
