

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusions

Based on explanation about analysis of *‘Ilmu Mushthalah al Hadits* above, the writer come to conclusions as below:

1. The existence of *‘Ilmu Mushthalah al Hadits* book by Mahmud Yunus was not so visible. This book is not widely used by schools especially *madrasah* or colleges. This is because of the book is packed in a simple form. So the people who wrestled in the field of *‘Ulum al-Hadits* feel this book is not complete to serve as a reference in *‘Ulum al-Hadits*. They prefer to the more complete books such as the book which was written by Muhammad 'Ajjaj al-Khathib, Ibnu Shalah, Mahmud Thahhan and others. Even today, many academic figures do not know this book and do not know that Mahmud Yunus ever composed a book in the field of *‘Ulum al-Hadits*.
2. The writing system of *‘Ilmu Mushthalah al Hadits* book is slightly different with other *‘Ulum al-Hadits* book before. This book consists of 96 pages and about 73 topics. Unfortunately, this book didn't include all the topics that related to *‘Ulum al-Hadits*. It's just included some of the topic, and much more explanation about the terms related to *‘Ulum al-Hadits*.

3. The contents of *'Ilmu Mushthalah al Hadits* book by Mahmud Yunus are related to *'Ulum al-Hadits*. But, this book didn't include all of the topics of *'Ulum al-Hadits*. In this book, there are some topics that rarely found in the previous book of *'Ulum al-Hadits*. The topics as follows:
 - a. Mahmud Yunus made a special chapter entitled Criticism of the *Shahihain*.
 - b. Mahmud Yunus made a special chapter entitled Criticism of Ibnu Shalah's word.

B. Suggestion

'Ilmu Mushthalah al-Hadits book by Mahmud Yunus is one of the books in the field of *'Ulum al-Hadits* that we should appreciate. It becomes a reference for the people who want to study this science. The existence of this book increases *khazanah* of Islamic knowledge. According to the writer, this book is suitable for using by the student in Islamic boarding school, because this book written in simple form and brief explanation.

The writer has done a research about analysis of *'Ilmu Mushthalah al Hadits* book by Mahmud Yunus. It is possible to make some mistakes and far from perfection to be presented comprehensively and intact. So the writer realizes that the next study can take on what is perceived less in this thesis, so it will be very useful to complete what is felt less from it.
