

ACKNOWLEDGMENTS

Alhamdulillah rabbil ‘alamin, the writer expresses her highest gratitude to Allah SWT for blessing, love, opportunity, health, and mercy to complete this thesis entitled “**The Effect of Chain Drill Technique on Students’ Speaking Ability in Descriptive Text at Class VIII of Islamic Junior High School 1 Padang**”. *Shalawat* is also sent to Prophet Muhammad *shallallahu ‘alaihi wa sallam* who had delivered the truth to human beings in general and Muslim in particular.

Furthermore, the writer presents her sincere appreciation to advisors, **Dr. Hadeli, MA., M.Pd. and Hidayat Al Azmi, M.Pd.** who have given advice and guidance in the completion of this thesis from beginning to the end. The researcher would like to thank the chairman of the English Tadris Department of Islamic Education and Teacher Training faculty, **Dr. Besral, M.Pd.** The next sincere gratitude addressed to my academic advisor **Dr. Martin Kustati., M.Pd.** and also the secretary is **Dr. Hj. Luli Sari Yustina, M.Pd.** of English Department. Then, the writer also thanks to all lecturers who have taught and guided her during her study.

Besides, the writer’s deepest appreciation goes to her beloved parents, sisters, brother and friends for the endless love, prayer, patience, care, and support. The writer would also like to give a special regard to the headmaster of Islamic Junior High School 1 Padang, (**Drs. Zakri Mukhtar**) and for the English teacher (**Rita Novalinda, S.Pd.**) for all of the support, time, and kindness.

Finally, may Allah SWT receive all their works and give the rewards, *Aamiin*.
