8. All students of class VIII MTsN 1 Padang Pariaman who have taken their time to conduct research.
9. My beloved father Welfeni and mother Evi Novita. You are the greatest reason why the writer could reach this point. Thank you for never getting tired of asking about her, for calling day and night just to make sure she was fine, and for lovingly reminding her, “have you eaten yet?” Those simple acts mean so much, giving strength when she was tired and almost gave up. Thank you for every prayer that never stopped, for the constant encouragement, and for the endless love that cannot be measured. This thesis is wholeheartedly dedicated to her beloved parents, as a small sign of love and respect that can never be repaid.
10. To my brothers Ziqri and Babay, and my beloved sister Kakpau. Thank you for being a true example for your youngest sibling, showing that every struggle, no matter how hard, can be overcome. From you, the writer has learned the meaning of hard work, patience, and perseverance. The support and motivation you have given not only strengthened the writer’s steps but also became a light that guided her in moments of almost giving up
11. Fatimah Aulia Luthfi. Yes, myself. Thank you for staying strong until this point, even when you felt tired, hopeless, and wanted to give up. Thank you, Fatimah, for standing up every time you fell, for keeping on walking even when the road

was heavy, and for believing that every effort would finally bring results. The journey of finishing this thesis has been full of tears, prayers, and sacrifices, but you never stopped fighting. Thank you for passing many sleepless nights full of worries, for learning to accept failures with sincerity and rise again, and for always believing that Allah has been with you in every step

12. My dearest friends, Piya, Enje, Nabila, Fevi, Fira, Ghina, Poppy, and Salsa, who have been an irreplaceable part of my life journey. From childhood until the completion of my undergraduate study, you have always been there, bringing laughter, encouragement, and prayers into every step I take. In moments of weakness, you gave me strength, in times of loneliness, you became a comforting home. The friendship we have built is not merely togetherness, but a precious blessing that I will forever treasure as one of the most valuable gifts in my life
13. My dearest groups, Hercules, Sob, UJ, and Homestay Tokdalang, with all the members : Suzia, Pega, Hajar, Anes, Vera, Dipa, Mita, Ripa, Wulan, and Patur. From the very first day of college until the moment I finally achieved the title of S.Pd, you have all been with me through both joy and hardship. Your presence has made my college life more colorful, warm, and meaningful. Thank you for the time, the stories, and the moments we shared together. I wish success and happiness for all of us in the future.
14. All friends of TBI A 21 that the author cannot mention one by one who has provided assistance, direction and assistance to the writer in completing this thesis, and we have struggled together until now.
